

## ONLINE SALES, FULFILLMENT AND OFFLINE MARKETING PROGRAM.

### Online Advertising

Move your products to the Web today. Simple, fast and easy. No online merchant account required. We handle fulfillment. You supply the product image & description, we do the rest.

### Offline Advertising

Our package insert program is the only offline channel available to reach CF&B's unique customer base. Unlike other direct mail vehicles, we allow our partners to place free-standing inserts (postcards, catalogs, small product samples, etc.) into our outbound shipments.

- Online (web) order acceptance
- Credit card acceptance (Visa, MC, Amex, Discover)
- Merchant account processing
- Fulfillment (stocking, picking, packing, shipment) using our same-day package services
- Free links to your website
- Online presentation optimization (additional charge applies)
- Offline marketing (placement of samples supplied by you into selected package shipments)
